Recording adventures and getting them approved

Scouting America

THE FOUR ADVANCEMENT STATUSES

STARTED

Work is in progress.

SCOUT, PARENT, OR LEADER

›

COMPLETED

Marked done by the Scout or a parent/leader on their behalf. **Still needs leader sign-off.**

SCOUT, PARENT, OR LEADER

›

APPROVED

A leader verified it. **This is the official “earned” status.**

REGISTERED LEADERS ONLY

›

AWARDED

Optional. The approved item was physically presented to the Scout.

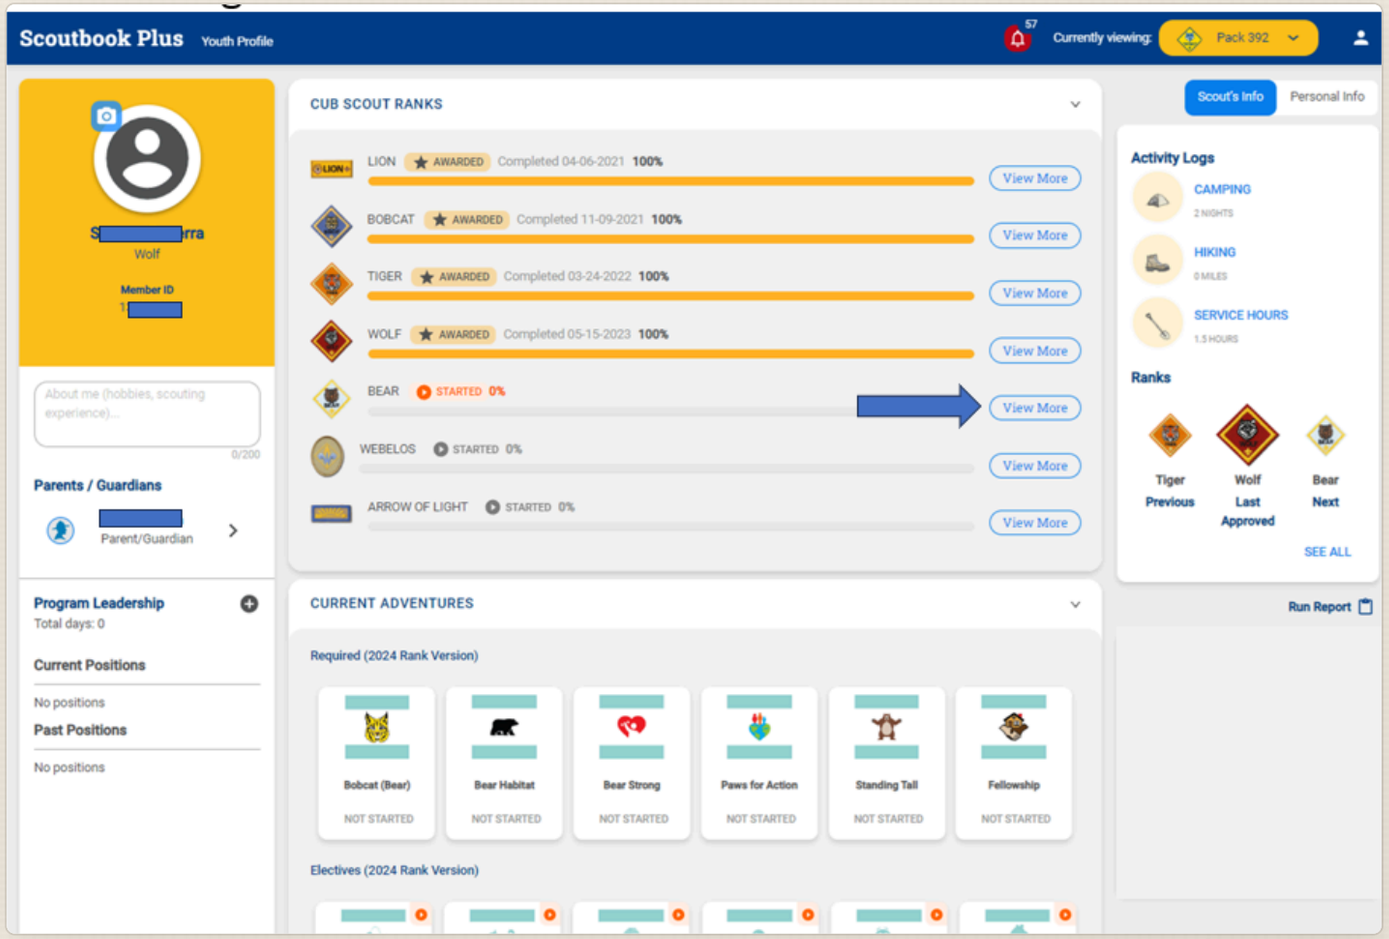

LEADERS · OPTIONAL

- Parents who aren’t registered leaders—and Scouts themselves—can mark **Completed** but **cannot** mark **Approved**.
- Families can enter Completed items from Scoutbook or the **Scouting mobile app**.
- Marking an item **Awarded** removes it from open Purchase Orders — coordinate with whoever buys your pack’s loops and pins.

APPROVING WHAT FAMILIES SUBMIT

When parents mark work **Completed** at home, it waits for you.

1. Click the **Pending Items** tab above the Roster toolbar.
2. Review everything marked **Completed but not yet Approved**.
3. Click into the Scout to verify and approve.

MAKE IT A HABIT Check Pending Items on a regular schedule (say, the night before each den meeting) so families see their Scout's work acknowledged quickly.

COLLECTING RSVPS

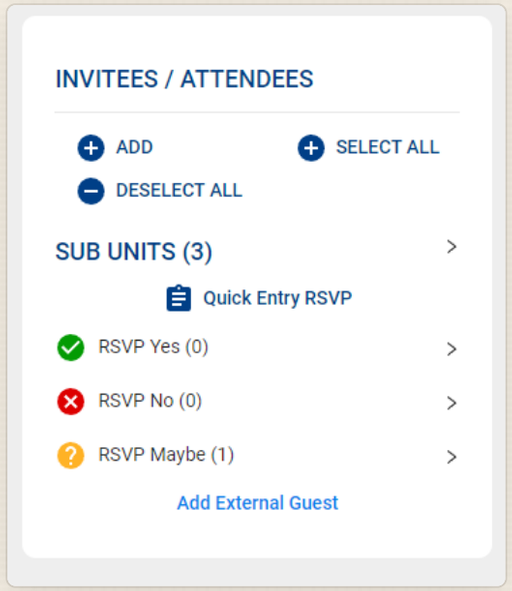

AS THE LEADER

- Check **Event with RSVP** on the event.
- **Add attendees**, or RSVP won't work.

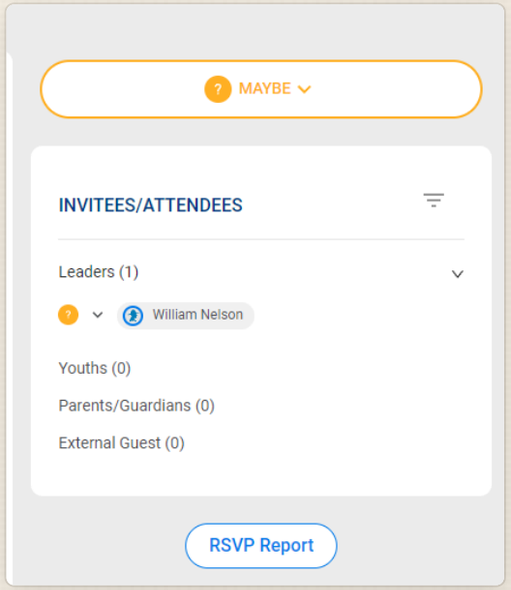

TRACK REPLIES

- Yes / No; non-responders show as **Maybe**.
- Got a reply by text? Use **Quick Entry RSVP**.

FOR FAMILIES

- Open the event; use the **RSVP** dropdown.
- A Scout with a login can RSVP for **self and parents**.

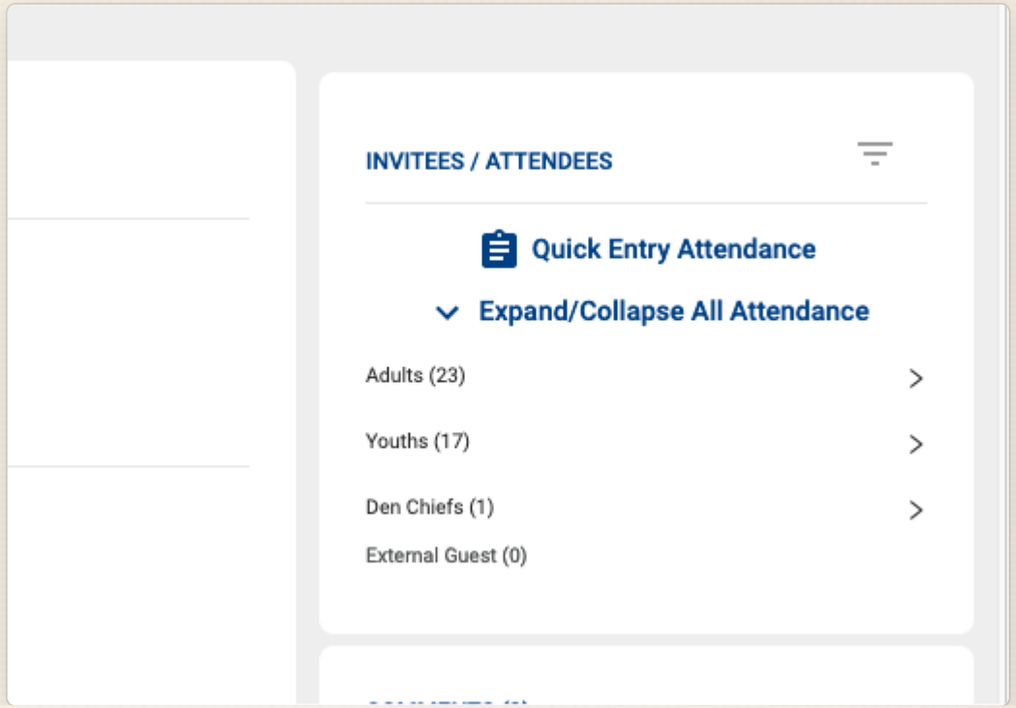

YOUR CALL Scoutbook RSVP is optional. Decide with your pack whether to use it, then tell families where to reply.

AFTER THE EVENT: ATTENDANCE

- After the event, invitees automatically become **“attended.”**
- Edit the list like you edited invitees: **remove no-shows**, **add walk-ins**.
- Accurate attendance shows exactly **who needs a make-up**.

PAIR IT UP Clean up attendance, then run **Unit Quick Entry** for the Scouts who were there. Same five minutes, both records done.
