Look up every required and elective adventure, with requirements and activity ideas.

04

YOUR SCOUT'S OWN ACCOUNT & THE APP

A LOGIN FOR YOUR SCOUT

- Scouts with their own **my.Scouting** account can review their advancement and see the unit calendar.
- Get your Scout's **Member ID** from your den leader, then create the account at **my.Scouting.org**.
- **Never share your login** with your Scout. Every user needs their own account.

THE SCOUTING APP

- Parents and Scouts can use the **Scouting** mobile app for advancement and the unit calendar instead of the website.
